ORGANIZATION: University of South Florida

AGREEMENT DATE: 6/30/2014

SECTION II: SPECIAL REMARKS

TREATMENT OF FRINGE BENEFITS:

Certain fringe benefits are charged using the effective rates(s) listed in the Fringe Benefits section of this Agreement. Retroactive payroll transfers will use the rates in effect at the time of transfer. The fringe benefits included in the rate(s) are listed below.

TREATMENT OF PAID ABSENCES

Vacation, holiday, sick leave pay and other paid absences are included in salaries and wages and are claimed on grants, contracts and other agreements as part of the normal cost for salaries and wages. Separate claims are not made for the cost of these paid absences, except for terminal leave pay which is included in the benefits rate and is paid out after separation of employment.

OFF-CAMPUS DEFINITION: For all activities performed in facilities not owned by the institution and to which rent is directly allocated to the project(s), the off-campus rate will apply. Actual costs will be apportioned between on-campus and off-campus components. Each portion will bear the appropriate rate.

Fringe Benefits include: Worker's Compensation, Unemployment Insurance, and Terminal Leave Pay. Other employee benefits, such as FICA, Retirement, Health Insurance, and Life Insurance, are charged based on actual incurred costs.

Equipment means an article of nonexpendable tangible personal property having a useful life of more than one year. Through 06/30/2011, the threshold was \$1,000 or more per unit. Effective 07/01/2011, the threshold is \$5,000 or more per unit.

The rates contained in this Agreement reflect the combined cost of the University of South Florida and the University of South Florida Research Foundation, Inc., and will apply to grants and contracts awarded to the Foundation.

** This Rate Agreement updates the Fringe Benefits Rates only. All other terms and conditions per Rate Agreement dated 08/20/2012 are to remain in effect.

ORGANIZATION: University of South Florida

SECTION III: GENERAL

A. LIMITATIONS:

The rates in this Agreement are subject to any statutory or administrative limitations and apply to a given grant, contract or other agreement only to the extent that funds are available. Acceptance of the rates is subject to the following conditions: (1) Only costs incurred by the organization were included in its facilities and administrative cost pools as finally accepted; such costs are legal obligations of the organization and are allowable under the governing cost principles; (2) The same costs that have been treated as facilities and administrative costs are not claimed as direct costs; (3) Similar types of costs have been accorded consistent accounting treatment; and (4) The information provided by the organization which was used to establish the rates is not later found to be materially incomplete or inaccurate by the Federal Government. In such situations the rate(s) would be subject to renegotiation at the discretion of the Federal Government.

B. ACCOUNTING CHANGES:

This Agreement is based on the accounting system purported by the organization to be in effect during the Agreement period. Changes to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require prior approval of the authorized representative of the cognizant agency. Such changes include, but are not limited to, changes in the charging of a particular type of cost from facilities and administrative to direct. Failure to obtain approval may result in cost disallowances.

C. FIXED RATES:

If a fixed rate is in this Agreement, it is based on an estimate of the costs for the period covered by the rate. When the actual costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference between the costs used to establish the fixed rate and actual costs.

D. USE BY OTHER FEDERAL AGENCIES:

The rates in this Agreement were approved in accordance with the authority in Office of Management and Budget Circular A-21, and should be applied to grants, contracts and other agreements covered by this Circular, subject to any limitations in A above. The organization may provide copies of the Agreement to other Federal Agencies to give them early notification of the Agreement.

E. OTHER:

If any Federal contract, grant or other agreement is reimbursing facilities and administrative costs by a means other than the approved rate(s) in this Agreement, the organization should (1) credit such costs to the affected programs, and (2) apply the approved rate(s) to the appropriate base to identify the proper amount of facilities and administrative costs allocable to these programs.
