## **Driving and Parking Instructions for Biology Advising**

\*Note: Visitor parking costs \$4. You may purchase a visitor parking permit at the USF main entrance off of Fowler.

**Directions from Fowler Avenue:** Enter the campus at the main entrance and go to the visitor reception center which is the second driveway on the right. Get your parking permit (\$4.00) and a map. Ask for directions to the SCA (Science Center) building and for parking instructions. If you have a student pass then you may park in lots according to the parking permit you have.

### **Directions to Biology Advisor:**

Enter the Science Center from the East Entrance. You will be on the second floor. Go straight, and on the right you will find the Department Undergraduate Office (SCA 203). If you have an appointment with Autumn Mueller, go to SCA 204, with Patrice Fischer SCA 206. If the door is closed, wait outside until the advisor is finished with the previous appointment. Do not interrupt the advisor when the door is closed. If you need help, go to SCA 203.

**Printing the Map:** If you print the map, please choose “Print with comments . . .” and then make the selections of format you want. Otherwise, the comments about the parking lots don’t print.
