Minor in Geology 2014/2015

GeoAdvise@usf.edu  Ph: 813/974-3250  Fax: 813/974-2876  http://hennarot.forest.usf.edu/main/depts/geosci/

USF School of Geosciences

A grade of a “C” or higher is required for all courses in the major.

Introductory Sequence (4 Hours)

- Once course:
  - GLY 2010 Dynamic Earth (3) (recommended)
  - GLY 2030 Hazards of Earth’s Surface (3)
  - GLY 2100 History of Life (3)
  - OCE 2001 Intro to Oceanography (3)
  - Or other (3) approved by Undergrad Advisor

- AND GLY 2000L (1) Essentials of Geology Lab
  **REQUERIED**

Elective Requirement (12 Hours Minimum)

- GLY 3311C The Solid Earth: Petrology and Geochemistry (4)
- GLY 3402C The Solid Earth: Plate Tectonics and Earth Structure (4)
- GLY 3552C Sedimentary Record 1: Sedimentary Processes and Petrology (4)
- GLY 3720C Fluid Earth 1: Basic Principles
- GLY 4822C Fluid Earth 2: Hydrogeology (4)
- GLY 4104C Sedimentary Record 3: Paleontology and Earth Evolution (4) *
